Anjie,

Lines 33 and 34 don't exist—wrong programming for this week. Looks like Football.

I'll take care of this through station express, however, its \$1550.

I would like to put it in the following:

Thurs 8-9p X1 450  
Thurs 9-10p X1 400  
Fri 8-9p X1 300  
Fri 9-10p X1 400

Let me know if this can go.
